—The Fourth was a very enjoyable occasion here. The day was all that could be desired. The crowd was large and orderly, there being no one boisterously tipsy. There were 600 or 700 people from this and other counties. By 7 o'clock the wagons and horsebackers began to come in and this was kept up until 11 o'clock, by which time one of the pleasantest crowds ever assembled at the pavilion was on the grounds. The Declaration of Independence was well read by J. M. Robins. Pleasant addresses were delivered by Messrs. J. W. Revelle, J. V. Noell and Jasper N. Burks. The Band was greatly missed, but a good string band lent its charms and dancing was participated in at intervals in the cool and convenient pavilion building during the day and night. The managers, J. M. Lutes and T. M. Jones have the satisfaction of knowing that it is the universal sentiment that taken all together the day was one of (if not the most) pleasant Fourth's ever spent in this popular resort.—The Pavilion.

**The Quickest and Easiest Way.**  
One evening, a few years ago, the late Elijah M. Haines, of Illinois, was called upon to preside at a meeting of lawyers assembled in Springfield for the purpose of considering the best means of passing a bill then pending in the Legislature. Mr. Haines, on taking the chair, explained the purpose of the meeting and suggested what he thought would be the best way to insure the bill's passage. Interrupting him, a gentleman in one of the rear seats rose and said: "By the way, Mr. Chairman, if I may make a suggestion right here—" "The gentleman's suggestion is a very good one," said the keen chairman.  
"How do you know?" asked the gentleman, a little miffed, "I haven't made it yet."  
"Oh!" replied Mr. Haines, "I thought you said 'by the way,' and I am sure that is the quickest and easiest means of obtaining a way to pass a bill."—Washington Post.
